LIVIN' LA VIDA

LIVIN' LA VIDA

You've got sex on fire
Confetti in the air
But you got to feeling what you got, yo!
Even if it rain on us, we've got yo!
You see the crowd, and late tonight
She lookin' good in the sun is right
It sounds flat
But I just don't care
Coz I'm looking a good ... the better

..

Or what ever

LIVIN' LA VIDA

Every day is carnival

Bring a couple amigos
