

# Remo, Terefere (ft. JDabrowsky)

Try me  
We're out tonight  
And there's no living soul  
Come on  
Skies turn in average moon

Bur every step we take  
Where... seems to change  
...we will show you  
How it's make

Give a try  
We can turn this all around  
Follow us  
And we'll show you how it's done

Come with us  
Coz there's no time  
Having fun is not a crime  
Put your hands up in the air  
And shut it loud  
Loud, loud

Terefere, Terefere  
Just Terefere  
/4x

I see that you're a little bit consent  
I know that someday you will find your glow  
Just put smile on your face  
Maybe ... better place now  
Show your hands up now  
As wide as you can

Come with us  
Coz there's no time  
Having fun is not a crime  
Put your hands up in the air  
And shut it loud  
Loud, loud

Terefere, Terefere  
Just Terefere
