

# Remo, We Are (& Tabb)

This is your bones  
We want to make it up  
To your soul  
Leave it all behind  
To find a new I  
...

Can you feel that groove?  
You have to follow it with your buss  
No you want to dance  
With no turning back  
We're gonna bring it with light, light, light

We Are  
We Are  
We Are  
Fire fliers  
We Are  
We Are  
We Are  
Fly ...  
/2x

Did you know that shame?  
Was a .... for days  
We've come where wo lives  
So getup for your knees  
Tonight we'll be alright

Can you feel it now  
Are you finally ... heart  
Can you hear those noise  
Stereo sound of joy  
It bring a fire from your heart

We Are  
We Are  
We Are  
Fire fliers  
We Are  
We Are  
We Are  
Fly ...  
/2x
