

Renaldo Lapuz, We're Brothers Forever

I am your brother
Your Best friend forever
Singing the songs
The music that you love

We're brothers 'til the end of time
Together, and forever,
'Til the end of time

I am your brother
Your Best friend forever
Singing the songs
The music that you love

We're brothers 'til the end of time
Together or not
You're always in my heart
You're hurt, your feelings
And you will worry no more
