

# Renee Sandstrom, Here I Am

They tell you a good girl is quiet  
And that you should never ask why  
'Cause it only makes it harder to fit in  
And you should be happy, excited  
even if your just invited  
'Cause the winners need  
someone to clap for them  
It's so hard, just waiting  
In a line that never moves  
It;s time you started making  
your own rules

## CHORUS:

You gotta scream until theres nothing left  
with your last breath say  
here i am, here i am  
make 'em listen  
'cause theres no way you'll be ignored, not anymore, say  
here i am. here i am  
here i am. here i am

you only get one life to work it  
so who cares if its perfect  
say, its close enough to perfect for me  
why should you hide from the thunder  
and the lightning that you're under  
cause there ain't nobody else  
you wanna be  
if how youre living isnt working theres one thing that'll help  
you gotta finally just stop searching to find yourself

## CHORUS:

You gotta scream until theres nothing left  
with your last breath say  
here i am, here i am  
make 'em listen  
'cause theres no way you'll be ignored, not anymore, say  
here i am. here i am  
here i am. here i am

The world better make some room  
yeah, move over, over  
'Cause your coming through  
'Cause your coming through

## CHORUS:

You gotta scream until theres nothing left  
with your last breath say  
here i am, here i am  
make 'em listen  
'cause theres no way you'll be ignored, not anymore, say  
here i am. here i am  
here i am. here i am
