

Renton, 3 days

I was with a devil
Was I with an angel?
I was so happy
Was I in danger?
3 days to love made a mark
I've never been so happy why?
For 3 days more with you
I'd give away my life it's true!
Who said red bull gives you wings
Must have never tasted in you
I took off and flew too high
My plane crashed down before I touched the sky
