

# Reverend Horton Heat, Eat Steak

Eat steak, eat steak eat a big ol&#039; steer  
Eat steak, eat steak do we have one dear?  
Eat beef, eat beef it&#039;s a mighty good food  
It&#039;s a grade A meal when I&#039;m in the mood.

Cowpokes&#039;ll come from a near and far  
When you throw a few rib-eyes on the fire  
Roberto Duran ate two before a fight  
&#039;Cause it gave a lot of mighty men a lot of mighty might

Eat steak, eat steak eat a big ol&#039; steer  
Eat steak, eat steak do we have one dear?  
Eat beef, eat beef it&#039;s a mighty good food  
It&#039;s a grade A meal when I&#039;m in the mood.

Eat meat, eat meat, filet mignon  
Eat meat, eat meat, eat it all day long  
Eat a few T-bones till you get your fill  
Eat a new york cut, hot off the grill

Eat steak, eat steak eat a big ol&#039; steer  
Eat steak, eat steak do we have one dear?  
Eat beef, eat beef it&#039;s a mighty good food  
It&#039;s a grade A meal when I&#039;m in the mood.

Eat a cow, eat a cow &#039;cuase it&#039;s good for you  
Eat a cow, eat a cow it&#039;s the thing that goes &quot;Mooooo&quot;

Look at all the cows in the slaughterhouse yard  
Gotta hit&#039;em in the head, gotta hit&#039;em real hard  
First you gotta clean&#039;em then the butcher cuts&#039;em up  
Throws it on a scale throws an eyeball in a cup

Saw a big Brangus Steer standing right over there  
So I rustled up a fire cooked him medium rare  
Bar-B-Q&#039;ed his brisket, a roasted his rump  
Fed my dog that ol&#039; Brangus Steer&#039;s hump

Eat steak, eat steak eat a big ol&#039; steer  
Eat steak, eat steak do we have one dear?  
Eat beef, eat beef it&#039;s a mighty good food  
It&#039;s a grade A meal when I&#039;m in the mood.
