

# Reverend Horton Heat, Party Mad

oh baby if you leave, you better not look back  
because if you do, you&#039;ll have a heart attack  
I ain&#039;t crying no more, I&#039;m tired of being sad  
babe if you walk out, I&#039;m gonna party mad

yea, yea, yea I&#039;ll be party mad  
and for all the while you&#039;ll wish for what we had

I&#039;ll be one wild man, I&#039;ll drink and dance all fine  
baby if you leave, I&#039;ll have me one white line  
so if you start that car and drive it down the street  
roll your window down your gonna feel that beat

yea, yea, yea I&#039;ll be party mad  
and for all the while you&#039;ll wish for what we had

well baby if ou leave, better not come back  
cause if you do, won&#039;t cut you any slack  
I ain&#039;t crying no more, I&#039;m tired of being sad  
babe if you walk out, I&#039;m gonna party mad

yea, yea, yea I&#039;ll be party mad  
and all the while you&#039;ll wish for what we had  
and all the while you&#039;ll wish for what we had  
and all the while I&#039;ll be party mad
