

Reverie Sound Revue, Rip The Universe

What day is it today?
Feels like a Monday...yeah
And things are awfully strange
When the streetlights are on at noon
And the day is somehow led by a full moon
As curious as it seems
As curious as it seems...yeah
I still smile while enjoying the scene
What is everyone gonna do?
When everyone has to choose?
Soon...I'll rip the universe in two
One for me and one for you
What day is it today?
Feels much like Sunday...yeah, yeah
And everyone is kinda lazy when it's time to fix a lady
But it's not the end of the beginning...maybe
You'll warn these fantastic toys
Leave these boys sadly unemployed
And...
What is everyone gonna do?
When everyone has to choose?
Soon...I'll rip the universe in two
One for me and one for you
-Refren-
Oh...
Oh...
These fantastic toys
Leave these boys
Sadly unemployed (3x)
Sadly unemployed(3x)
