

Rich Mullins, You Are All

"And here You are.
Shinin' in a glory that I can see.
When I look beyond myself
And I fall into the depths
Of Your love that beckons me

Well it fills my hungerin' soul with all the riches
That are hidden in the wonders that You do
And in the words that you have spoken
There's a word that echoes still
And I can hear it in the silence of these hills

Lord You are all that the world could not be.
You are great and strong
You are good
Lord You are all
And everything that I could ever need
You are faith
You are hope
You are love
Yes You are love
You are peace
You're my most high
So now I fall down on my knees and cry
You are all

And here we are
In a light that showers
From things unseen
Drawn from earth dropped from the sky
They have crept into our lives
And called us to believe
In the one of whom the distant clouds bear witness
He was wounded
He was raised and glorified
And His voice thunders in the heavens
And it pulses through our veins
And we can find salvation
In the One the Name

Lord You are all that the world could not be
You are great and strong
You are good
Lord You are all
And everything that I could ever need
You are faith
You are hope
You are love
Yes you are love
You are peace
You're my most high
So now I fall down on my knees and cry
You are all

Lord You are all that the world could not be
You are great and strong
You are good
Lord You are all
And everything that I could ever need
You are faith
You are hope
You are love
Yes You are love
You are peace

You're my most high
So now I fall down on my knees and cry
You are all
