

Rich The Kid, Dab Flu

Pussy so wet I'm a splash
Run in your bitch, I'm a dab
I'm a fuck her, call a cab
Diamonds water, take a bath
I'm a dab in that pussy like wooh
Karate, I'm chopping the roof
Diamonds they sing like hachoo
I think I got the dab flu

Pussy so wet I'm a splash
Run in your bitch, I'm a dab
I'm a fuck her, call a cab
Diamonds water, take a bath
I'm a dab in that pussy like wooh
Karate, I'm chopping the roof
Diamonds they sing like hachoo
I think I got the dab flu

Now the whole world dab
Fuck the bitch, call a cab
I'm calling the kitchen my lab
Diamonds deep, take a bath
Got the chopper, I'm the shooter
Flippa with me, he'll do ya
Got a sniper in the Uber
I dab in this bitch with my Ruger

Pussy so wet I'm a splash
Run in your bitch, I'm a dab
I'm a fuck her, call a cab
Diamonds water, take a bath
