Plug, I was juggin', finessin', and flexin', till I ran into the plug

Touchdown on a nigga for a sack then I brought it to the plug

Told them dumb nigga I'm takin' your sack, I came up from 1 gram

The kitchen done turn into Michael like Jackson, I'm takin' the pint and I'm beatin' it  
I'm mixin' the chemical, turn to a chemist and people done call me a genius  
I was 13, ran up on the plug, stickin' 'em up for the drugs  
Pull off in the wraith and I'm pourin' the pints of the mud  
Flipping the pot like white water, I flip but they callin' me Flippa
