

# Rich The Kid, Ring Ring

Your love that's all I need, yeah

Know it ain't real until she tat my name  
Everybody feel, but don't feel my pain  
Everybody say but, I spell my name  
Saying she changed but she still the same

Baby, trying to get me, trying to reach  
Feelin' like Dolph, "Nigga preach"  
Brother he may never get released  
Feelin' like I'm on, I need 2  
They just want to see the kid deceased  
Yeah, she always trying to get a piece  
In the house, but she ain't on the lease  
Cut her off, lil mama get released  
Oh yeah, put them diamonds on your neck  
Don't you ever forget, yeah  
I moved on to Patek, yeah  
I don't do no Rolexes, yeah  
She know this been a hell of a day  
In Miami, my condo on lake  
'Cause a Nigga got tired of LA

Oh, yeah  
Someone hit me, ring, ring, yeah  
Your love, that's all I need, yeah  
And your trust, girl, that's all that I want  
Even when it falls apart, girl we won't

Someone hit me, ring, ring, yeah  
Your love, that's all I need, yeah  
And your trust, girl that's all that I want  
Even when it falls apart, girl, we won't

Your trust, baby  
Want your love, baby  
That's all I need, yeah  
I just can't leave, yeah  
That pussy certified  
Girl, I know it's love, I see it in your eyes  
And she want a Birkin, I'ma buy her five  
With them other niggas, she wasn't satisfied  
Give me a ring, ring one call  
Ooh, it's cry, cry for you, baby  
I might die, die for you, baby  
Do a drive by for you, baby  
I will never lie to you, baby  
Oh, yeah  
I'm gon' always be right here  
You'll never have no tears  
Icing up your wrist  
Phone call, ring, ring  
Wouldn't trade your for the world  
That's what you mean, yeah

Someone hit me, ring, ring, yeah  
Your love, that's all I need, yeah  
And your trust, girl that's all that I want  
Even when it falls apart, girl we won't

Someone hit me, ring, ring, yeah  
Your love, that's all I need, yeah  
And your trust, girl that's all that I want  
Even when it falls apart, girl we won't

Someone hit me, ring, ring, yeah  
Your love, that's all I need, yeah  
And your trust, girl that's all that I want  
Even when it falls apart, girl we won't
