

# Richard Thompson, Night Comes In

(Richard Thompson)

Night comes in  
Like some cool river  
How can there be  
Be another day  
Take my hand  
O real companion  
And we'll dance  
We'll dance 'till we fade away

O the songs  
Pour down like silver  
They can only  
Only break my heart  
Drink the wine  
The wine of lovers  
Lovers tired of being apart

Dancing 'till my feet don't touch the ground  
I lose my mind and dance forever  
Lose my mind and dance forever  
Turn my world around  
Turn my world around

O this night  
Is like no other  
And this room  
Is ringing in my ears  
And these friends  
Will never leave me  
And these tears  
Are like no other tears

Dancing 'till my feet don't touch the ground  
I lose my mind and dance forever  
Lose my mind and dance forever  
Turn my world around  
Turn my world around

Well I may find  
That street tomorrow  
Leave the shadow  
Of my lonely room  
See my one  
My one and only  
Heart and soul  
I'm coming soon
