

# Richie Sambora, In It For Love

Life is a road  
Forever winding  
Where it leads us, I don't know  
In it together  
For better or worse  
Searching for a pot of gold  
Time, leaves a trail of broken hearts  
So many arrows just keep missing their mark  
Baby that ain't us  
Nothing else matters when you're in it for love  
Together we can only go higher  
We can reach any rainbow, you're dreamin' of  
Nothing else matters at all, when you're in it for love baby  
Sharin' the laughter  
Sharin' the tears  
And the promises we keep  
Life can be crazy  
Love can be cruel  
But it's always been a two-way street  
You try, and give it all you have to give  
So many people don't know how to forgive  
Baby that ain't us  
Nothing else matters when you're in it for love  
Together we can only go higher  
We can reach any rainbow you're dreamin' of  
Nothing else matters at all, when you're in it for love baby  
guitar solo  
You try and give it all you have to give  
So many people don't know how to forgive  
Baby that ain't us  
no...  
Nothing else matters when you're in it for love  
Together we can only go higher  
We can reach any rainbow you're dreamin' of  
Nothing else matters at all  
When you're in it for love babe  
When you're in it for love baby  
In it for love...  
When you're in it for love  
When you're in it for love  
When you're in it for love  
In it for love...
