Richie Sambora, River Of Love

Let me tell you a story About body and blood There's a fire below Deep in the river of love Hey pretty mama I'm just trying to be polite I wanna make you feel the rhythm of the river tonight And when the story is over You'll be satisfied Honey, honey, honey don't you understand To make you feel like a woman Makes me feel like a man Let me take you down to the river of love Baby pull me under Make me drown in your flood Baptize my body in your river of love Wontcha take me down I wanna drown In your river of love If you're a little lovesick Woman I got the cure Let me be your preacher And you can be my whore I feel your heart pumpin honey don't say not I wanna dive in your river Take you down real slow And then your body will guiver And the river will flow Honey, honey, honey don't you understand To make you feel like a woman Makes me feel like a man Let me take you down to the river of love Baby pull me under Make me drown in your flood Baptize my body in your river of love Wontcha take me down I wanna drown In your river of love Down, down, down let me take ya Down, down, down I wanna take ya Let me take you down to the river of love Baby pull me under Make me drown in your flood Baptize my body in your river of love Wontcha take me down I wanna drown In our river of love
