## Rick Astley, I'll never set you free

| There's nothing | I can saythere's n | othing I can dote | o show you the | lovethat I got for y | outheres nothin |
|-----------------|--------------------|-------------------|----------------|----------------------|-----------------|
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
|                 |                    |                   |                |                      |                 |
