

# Rick Nelson, Hello Walls

(Hello hello hello hello)

Hello walls (hello) how things go for you today

Don't you miss her since she upped and walked away

And I'll bet you dread to spend another lonely night with me

Lonely walls I'll keep you company

Hello window (hello) well I see that you're still here

Aren't you lonely since our darling disappeared

Well look here is that a teardrop in the corner of your pane

Don't you try to tell me that it's rain

She went away and left us all alone the way she planned

Yes we'll have to learn to get along without her if we can

Hello ceiling (hello) I'm gonna stare at you a while

You know I can't sleep so won't you bear with me awhile

We must all stick together or else I'll lose my mind

I got a feeling she'll be gone a long long time
