Oooh Gypsy

She knows the meaning of life  
Knows what the future will hold  
Secrets inside the eyes of a gypsy  
Stories that play with your mind  
Reasons with no explanation  
Things that you find through the eyes of a gypsy  
Seems that she knows - Oooh gypsy  
Everything shows Oooh gypsy  
Plays with your soul Oooh gypsy  
She's taking control Oooh gypsy  
She knows the meaning of life  
Knows what the future is holding  
Secrets inside the eyes of a gypsy  
Maybe a gypsy will do what she says  
Maybe a gypsy with serious ways  
And see what you're feeling by reading inside  
Your secret emotions controlling your mind  
Seems that she knows - Oooh gypsy  
Everything shows Oooh gypsy  
Plays with your soul Oooh gypsy  
She's taking control Oooh gypsy
