

Ricky Martin, Livin' La Vida Loca (English Version)

She's into superstition
black cats and voodoo-dolls
I feel a premonition
that girl's gonna make me fall
She's into new sensation
new kicks in the candle light
she's got a new addiction
for every day and night
She'll make you take your clothes off and go dancing in the rain
She'll make you live a crazy life but she'll take away your pain
like a bullit to your brain

Chorus

Upside-inside-out
she's livin' la vida loca
She'll push and pull you down
livin' la vida loca
Her lips are devilred
and her skin's the colour mocha
She will wear you out
Livin' la vida loca
Livin' la vida loca
Livin' la vida loca
Woke up in New York City
in a funky cheap hotel
She took my honey she took my money
she must have slipped me a sleeping-pill
She never drinks the water
makes you order french champagne
Once you've had a taste of her
you'll never be the same
cause she'll make you go insane

Chorus

Upside-inside-out
she's livin' la vida loca
She'll push and pull you down
livin' la vida loca
Her lips are devilred
and her skin's the colour mocha
She will wear you out
Livin' la vida loca
Livin' la vida loca
Livin' la vida loca
She'll make you take your clothes off and go dancing in the rain
She'll make you live a crazy life but she'll take away your pain
like a bullit to your brain

Chorus

Upside-inside-out
she's livin' la vida loca
She'll push and pull you down
livin' la vida loca
Her lips are devilred
and her skin's the colour mocha
She will wear you out
Livin' la vida loca
Upside-inside-out
she's livin' la vida loca
She'll push and pull you down
livin' la vida loca
Her lips are devilred
and her skin's the colour mocha
She will wear you out
Livin' la vida loca
Livin' la vida loca
Livin' la vida loca
