

# Ricky Nelson, Stuck In The Middle With You

Well I don't know why I came here tonight  
I got the feelin' that somethin' aint right  
I'm so scared in case I fall off my chair  
And I'm wonderin' why I get down the stairs  
Clowns to the left of me, jokers to the right  
Here I am, stuck in the middle with you

Well I'm stuck in the middle with you  
And I'm wonderin' what it is I should do  
It's so hard to keep the smile from my face  
And I'm wanderin' all around the place  
Clowns to the left of me, jokers to the right  
Here I am, stuck in the middle with you

Well you started out with nothin'  
And you found out that you're somethin' man  
And you're friends they all come callin'  
Slap you on the back and say...

I'm tryin' to make some sense of it all  
But I can see it makes no sense at all  
If I could I'd go to sleep on the floor  
But I don't think I can take anymore  
Clowns to the left of me, jokers to the right  
Here I am, stuck in the middle with you

Well I don't know why I came here tonight  
I got the feelin' that somethin' aint right  
If I could I'd go to sleep on the floor  
But I don't think I could take anymore  
Clowns to the left of me, jokers to the right  
Here I am, stuck in the middle with you  
Stuck in the middle with you  
Stuck in the middle with you
