

# Ricky Skaggs, Another Night

The wind is blowin' around my cabin  
I hate to hear that mournful sound  
I'm all alone and so downhearted  
Since my true love ain't around.

I hate to see that sun a-sinkin'  
Another night to toss and turn  
Another night to dream about her  
Another night for her I'll yearn.

She had no cause to go and leave me  
For I had never done her wrong  
She left her home and little children  
Out with another man she's gone.

I hate to see that sun a-sinkin'  
Another night to toss and turn  
Another night to dream about her  
Another night for her I'll yearn.

The children, they are sound a-sleepin'  
They don't know their mother's gone  
What will I do when they awaken?  
Can I tell them of their mother's wrong?

I hate to see that sun a-sinkin'  
Another night to toss and turn  
Another night to dream about her  
Another night for her I'll yearn...
