

# Riddlin Kids, Don't Know What To Say

I wonder why it is  
That you wish your time on me  
So how long has it been  
Since the last one ran away  
I don't understand  
Why anybody else would stay  
It's time for me to leave  
Well I don't know what to say

Don't know what to say  
Don't know what to say  
Well, I don't know what to say  
Don't really, don't know what to say

Thought we knew it all  
You know we never really did  
We threw it all away  
Because of something stupid someone said  
Life's a party thing  
You know and I don't have to win  
We really got no choice  
You know I don't know what to say

Don't know what to say  
Don't know what to say  
And I don't know what to say  
No I really don't know what to say

What do you think of that  
You can kiss my ass  
Look me in the face  
You're a big mistake

You could break my heart  
It won't be the first time  
You can string me on, and on  
And I'll pretend I'm doing fine  
Tried to ask you out  
Like I did the other day  
I look you in the face  
And I don't know what to say

Don't know what to say  
Don't know what to say  
Well, I don't know what to say  
No I really don't know what to say
