

Rihanna ft. Chris Brown, Why Am I So In Love?

[Chris Brown]

You know what I'm thinkin'

You know that it's you,

But some things need perfection,

Unlike you,

[Rihanna & Chris Brown]

So why am I so in love?

Your the best thing in my life and always will be

[Rihanna]

I'm so glad your mine,

You mean the world to me,

[Chris Brown]

Your like a summers day,

[Rihanna & Chris Brown]

I asked for your love,

You gave it to me,

I needed your trust,

The same as can be,

[Rihanna]

I thought I would lose you,

But I knew I was wrong,

[Chris Brown]

So why did it have to happen,

When you sing this song,

[Rihanna & Chris Brown]

I know my mistakes,

So light as a dove,

I learn from them all,

Why am I so in love,

[Rihanna]

'Coz I need to know,

What's in my heart,

[Chris Brown]

Like a love,

In my love chart,

CHORUS

[Rihanna & Chris Brown]

I asked for your love,

You gave it to me,

I needed your trust,

The same as can be,

Repeat chorus

[Rihanna & Chris Brown]

My love is strong,

Why am I so in love?
