

# Rihanna, Good Girl Gone Bad

We stay moving around solo  
Ask us where you at, we don't know  
And don't care (don't care)  
All we know is we was at home 'cause you left us there  
You got your boys and got gone and left us all alone  
Now she in the club with a freaky dress on  
Cats don't want her to keep that dress on  
Tryna get enough drinks in her system  
Take her to the telly and make her a victim

Pat&#oacute;n on the brain  
Ball player in her face  
They shake the spot  
She's just another cake

Easy for a good girl to go bad  
And once we gone  
Best believe we gone forever  
Don't be the reason  
Don't be the reason  
You better learn how to treat us right  
'Cause once a good girl goes bad  
We die forever

He steady with a flock of 'em, oh yeah  
Got a girl at home but he don't care  
Won't care (won't care), all you do is keep me at home  
Won't let me go nowhere  
He thinks because I'm at home  
I won't be gettin' it on  
And now I'm finding numbers  
In the jacket pockets  
Chicks calling the house non-stop  
It's getting out of control  
Finally I can't take no more  
He finds a letter on the stairs  
Saying this is the end  
I packed my bag and left with your best friend

Easy for a good girl to go bad  
And once we gone  
Best believe we gone forever  
Don't be the reason  
Don't be the reason  
You better learn how to treat us right  
'Cause once a good girl goes bad  
We die forever
