

Rihanna, Kiss It Better

Kiss it, kiss it better baby
Kiss it, kiss it better baby

Waking on that sunshine
But I thinking 'bout thet boy
Can't do it like that
No one else can get it like that
So why?
Argue, you yell, but you take me back
Who cares when it feels like crack?
Boy you know that you always do it right
Man, fuck your pride, just take it on back, boy
Take it on back boy,
Take it back all night
Just take it on back, take it on back
Do what you gonna do?
Keep me up all night
Hurting vibe,
Man, and it hurts inside when I look you in your eye

What are you willing to do?
Tell me what you're willing to do?
Kiss it, kiss it better, baby

I've been waiting up all night
Baby, tell me what's wrong
Go and make it right
Make it all night long
I've been waiting up all night
Baby, tell me what's wrong
Go and make it right
Make it all night long
Man, fuck your pride, just take it on back, boy
Take it on back boy,
