

# Rihanna, Love On The Brain

And you got me like  
What you want from me?  
What you want from me?  
And I tried to buy your pretty heart, but the price too high  
Baby you got me like  
You love when I fall apart  
So you can put me together  
And throw me against the wall

Baby you got me like  
Don't you stop loving me  
Don't quit loving me  
Just start loving me

And babe I'm fist fighting with fire  
Just to get close to you  
Can we burn something babe?  
And I run for miles just to get a taste  
Must be love on the brain  
That's got me feeling this way  
It beats me black and blue but it fucks me so good  
And I can't get enough  
Must be love on the brain,  
And it keeps cursing my name  
No matter what I do  
I'm no good without you  
And I can't get enough  
Must be love on the brain

Then you keep loving me  
Just love me,  
Just love me  
All you need to do is love me  
Got me like  
I'm tired of being played like a violin  
What do I gotta do to get in your motherfucking heart?

Baby you got me like  
Don't you stop loving me  
Don't quit loving me  
Just start loving me

Oh, and babe I'm fist fighting with fire  
Just to get close to you  
Can we burn something babe?  
And I run for miles just to get a taste  
Must be love on the brain  
That's got me feeling this way  
It beats me black and blue but it fucks me so good  
And I can't get enough  
Must be love on the brain  
And it keeps cursing my name  
No matter what I do  
I'm no good without you  
And I can't get enough  
Must be love on the brain
