

Rihanna, Love On The Brain

And you got me like
What you want from me?
What you want from me?
And I tried to buy your pretty heart, but the price too high
Baby you got me like
You love when I fall apart
So you can put me together
And throw me against the wall

Baby you got me like
Don't you stop loving me
Don't quit loving me
Just start loving me

And babe I'm fist fighting with fire
Just to get close to you
Can we burn something babe?
And I run for miles just to get a taste
Must be love on the brain
That's got me feeling this way
It beats me black and blue but it fucks me so good
And I can't get enough
Must be love on the brain,
And it keeps cursing my name
No matter what I do
I'm no good without you
And I can't get enough
Must be love on the brain

Then you keep loving me
Just love me,
Just love me
All you need to do is love me
Got me like
I'm tired of being played like a violin
What do I gotta do to get in your motherfucking heart?

Baby you got me like
Don't you stop loving me
Don't quit loving me
Just start loving me

Oh, and babe I'm fist fighting with fire
Just to get close to you
Can we burn something babe?
And I run for miles just to get a taste
Must be love on the brain
That's got me feeling this way
It beats me black and blue but it fucks me so good
And I can't get enough
Must be love on the brain
And it keeps cursing my name
No matter what I do
I'm no good without you
And I can't get enough
Must be love on the brain
