

Rihanna, Right Now (feat. David Guetta)

Tomorrow's way too far away
And we can't get back yesterday
But we young right now
We hot right now
So get up right now
'Cause all we got is Right Now

Tomorrow's way too far away
And we can't get back yesterday
But we young right now
We hot right now
So get up right now
'Cause all we got is Right Now

Something you wanted to do what you like
There's no more waiting tonight is the night
And we can't be wrong not if it feels this right
Turn it up, sing it loud
But we got right now
