

Rihanna, Rush

(feat. Kardinal)

[Kardinal]

De gal them rush to feel the ill touch
Gal them ball and gal them a scream
De think ita love but a lust,
Thats why a bad gal beside is a must for I bust
Shes the angel of me consious yo yo yo

[Rihanna]

Never thought that I could feel somethin so strong
I wanna hold on to this moment before its gone
I wanna hold your body close its callin to me
And when i look into your eyes Im likin what I see
Boy dont hold back from me
Just give me everything you got
I wonder I can keep
I know your gunna keep it hot

[Hook]

I catch a rush boy whenever we touch i go crazy
Im feelin you baby
I dream like this boy whenever we kiss i cant take it
U know i cant fake it

[Kardinal]

Yo yo yo
Well im back with the boys and i knowin dat
Dont watch my face my gal you know im coming back
Most of mea gal them slide off easy like a thunder clap
When I see you from the back you know me need all a dat yo yo yo

[Rihanna]

Dont even know your name
But this feels so right
Its like i known you boy for all of my life
Dont need to say a word
We both understand
And my eyes are tellin you
Catch me if you can
Im fallin faster now
You know u got me where u want
To late i cant slow down
No way we're ever gunna stop

[Hook]

I catch a rush boy whenever we touch i go crazy
Im feelin you baby
I dream like this boy whenever we kiss i cant take it
U know i cant fake it

[background] no i cant take it

No i cant take it

No no

[Kardinal]

My girl turn it around and cut it out
And come a little close so you feel what im bout here

[background]

No i cant take it

No i cant take it

No no

[Kardinal]
My girl turn it around bring it near
Let me show you a thing dat a done ya career

Im fallin faster now
You know u got me where u want
To late i cant slow down
No way we're ever gunna stop

[Hook x2]
I catch a rush boy whenever we touch i go crazy
Im feelin you baby
I dream like this boy whenever we kiss i cant take it
U know i cant fake it
