

# Rihanna, Sexuality

I want your..  
Sex-ua-lity  
I see you  
What you wanna do?  
Lets break the rules  
Sex-ua-lity  
You wanna go down  
Drive all through my town  
Till I make that sound  
Ohh  
Sex-ua-lity  
Now don't be shy  
You know I want to lie  
Please don't hide your  
Sex-ua-ity  
Baby lets go  
Loose all self-control  
If you wanna know my  
Sex-ua-lity  
You want me  
Then make a move,  
Come show me  
Just where you can go  
I'm ready you're ready, too  
So come with me tonight boo  
Boy show me (yeah)  
What's you're Fantasy?  
To let me see your  
Sex-ua-lity  
(Sexuality)  
Your body, want on top of me  
Then just release your  
Sex-ua-lity  
I wanna see you baby  
(Sexuality)  
I want your Sex-ua-lity  
I want your Sex-ua-lity
