

# Rihanna, Shut Up And Drive

I've been looking for a driver who is qualified  
So if you think that you're the one, step into my ride.  
I'm a fine cool super-sonics fame machine  
Fellas roll on top in a gangster lead  
So if you feel it let me know, know, know.  
Come on and what you're waiting for, for, for.  
My head is ready to explode, explode, explode.  
So start me up and watch me go, go, go  
Catch your way wanna flower, if you know what I mean.  
Got a ride that's smoother than a limousine.  
Can you handle the curls can you run all the lights.  
If you can baby boy, then we can go all night.  
Cause it's nearly sixty and three forty five.  
Baby you got the keys.  
Now shut up and drive, drive, drive.  
Shut up and drive  
I got class like a fifty-cent Cadillac.  
Start over drive with a whole lot of boom impact.  
You look like you can handle what's under my hood.  
You keep saying that you will, boy I wish you would.  
So when you're ready let me know, know, know.  
Come on and what you're waiting for, for, for.  
My head is ready to explode, explode, explode.  
So start me up and watch me go, go, go  
Catch your way wanna flower, if you know what I mean.  
Got a ride that's smoother than a limousine.  
Can you handle the curls can you run all the lights.  
If you can baby boy, then we can go all night.  
Cause it's nearly sixty and three forty five.  
Baby you got the keys.  
Now shut up and drive, drive, drive.  
Shut up and drive  
You play that game, got what I got  
Get it get it, don't stop, it's a short shot  
Ain't a Ferrari, huh boy, I'm sorry  
I ain't need to worry, so step inside  
And ride, ride, ride, drive, drive, drive ....  
So if you feel it let me know, know, know.  
Come on and what you're waiting for, for, for.  
My head is ready to explode, explode, explode.  
So start me up and watch me go, go, go
