

# Rihanna, What Now

I've been ignoring this big lump in my throat  
I shouldn't be crying  
Tears were for the weaker days, I'm stronger now  
Or so I say, but something's missing

Whatever it is, it feels like it's laughing at me  
Through the glass of a two-sided mirror  
Whatever it is, it's just laughing at me  
And I just wanna scream

What now, I just can't figure it out  
What now, I guess  
I'll just wait it out, wait it out  
What now, what now

I found the one, he changed my life  
But was it me that changed  
And he just happened to come at the right time  
I'm supposed to be in love but I'm numb again

Whatever it is, it feels like it's laughing at me  
Through the glass of a two-sided mirror  
Whatever it is, it's just sitting there laughing at me  
And I just wanna scream

What now, I just can't figure it out  
What now, I guess  
I'll just wait it out, wait it out  
What now, please tell me, what now

There's no one to call  
'Cause I'm just playing games with them all  
The more I swear I'm happy  
The more that I'm feeling alone

'Cause I spend every hour  
Just going through the motions  
I can't even get the emotions to come out  
Dry as a bone but I just wanna shout

What now, I just can't figure it out  
What now, I guess  
I'll just wait it out wait it out  
What now, somebody tell me, what now

I don't know where to go  
I don't know what to feel  
I don't know how to cry  
I don't know, oh, oh why

I don't know where to go  
I don't know what to feel  
I don't know how to cry  
I don't know, oh, oh why

I don't know where to go  
I don't know what to feel  
I don't know how to cry  
I don't know, oh, oh why, so what now
