Rihanna, Where Have You Been

I've been everywhere, man Looking for someone Someone who can please me Love me all night long I've been everywhere, man Looking for you babe Looking for you babe Searching for you babe

Where have you been? Cause I never see you out Are you hiding from me, yeah? Somewhere in the crowd

Where have you been? All my life, all my life Where have you been, all my life? Where have you been, all my life? Where have you been, all my life? Where have you been, all my life?

I've been everywhere, man Looking for someone Someone who can please me Love me all night long I've been everywhere, man Looking for you babe Looking for you babe Searching for you babe

Where have you been?
Cause I never see you out
Are you hiding from me, yeah?
Somewhere in the crowd

Where have you been? All my life, all my life Where have you been, all my life? Where have you been, all my life? Where have you been, all my life? Where have you been, all my life?

Where have you been, all my life?

You can have all you want Any way, any day To show me where you are tonight

I've been everywhere, man Looking for someone Someone who can please me Love me all night long I've been everywhere, man Looking for you babe Looking for you babe Searching for you babe
