

# Rihanna, Whipping My Hair Down

I just meet infatuation  
and something in a storm my obsession is you  
and i something takes over pulls me in i got you pushing  
on me on the floor under the burning lights  
just look behind i dont know where this will lead  
but iam hoping you tell me out here whipping my hair  
all crazy now baby whipping it  
like iam making that thing jump  
I am making that thing twirp so get up  
on it baby i am doing what i do  
i make you move got me out here whipping my hair all  
babe sprinkling you with pieces of me  
now lets make it a sight to see baby  
on the floor under the burning lights  
just look behind i dont know where this will lead but  
I am hoping you tell me  
out here whipping my hair al  
crazy now baby whipping it like iam making  
that thing jump iam making that thing twirp so get up  
on it baby iam doing what i do i make you move got me  
out here whipping my hair all look back on memories  
we got chemistry that buried tresure  
and we will find create a perfect world  
just for you and i on the floor under the burning lights  
just look behind i dont know where this will lead  
but iam hoping you tell me out here whipping my hair all  
crazy now baby whipping it like  
I am making that thing jump  
I am making that thing twirp so get up  
on it baby iam doing what i do i make you  
move got me out here whipping my hair all  
babe sprinkling you with pieces of me  
now lets make it a sight to see baby all them girls  
in the club get down tonight  
all them girls grab a boy do it right  
all them girls in the club get down tonight  
all them girls grab a boy do it right
