

# Rihanna, You Da One

[Intro]

You the one that I dream about all day  
You the one that I think about always  
You are the one so I make sure I behave  
My love is your love, your love is my love  
Love, love, love

[Rihanna]

Baby, I love you, I need you here  
Give me all the time  
Baby we meant to be  
You got me, smiling all the time

Cause you know how to give me that  
You know how to pull me back  
When I go runnin, runnin  
Tryin' to get away from loving ya  
You know how to love me hard  
I won't lie, I'm falling hard  
Yep, I'm falling for ya but there's nothin wrong with that

[Chorus]

You the one that I dream about all day  
You the one that I think about always  
You are the one so I make sure I behave  
My love is your love, your love is my love  
Love, love?

You the one that I dream about all day  
You the one that I think about always  
You are the one so I make sure I behave  
My love is your love, your love is mine

[Rihanna]

Baby come, tear me now, hold me now  
Make me come alive  
You got the sweetest touch  
I'm so happy, you came in my life

Cause you know how to give me that  
You know how to pull me back  
When I go runnin, runnin  
Tryin' to get away from loving, ya

You know how to love me hard  
I won't lie, I'm falling hard  
Yep, I'm falling for, ya but there's nothin wrong with that

[Chorus]

You the one that I dream about all day  
You the one that I think about always  
You are the one so I make sure I behave  
My love is your love, your love is my love  
Love, love?

You the one that I dream about all day  
You the one that I think about always  
You are the one so I make sure I behave  
My love is your love, your love is mine

[Bridge]

And Yes I'm kinda crazy,  
That's what happens baby,  
When you put it down  
You should've give it to me  
Good like that,

Should've hit it like that,  
Had me yellin' like that  
Didn't know you would've had me coming back

You the one that i'm feeling  
You the one that i'm loving  
Ain't no other, that's like you  
No there's just one, one, one  
No baby just one, one  
I bet you wanna know

[Chorus]

You the one that I dream about all day  
You the one that I think about always  
You are the one so I make sure I behave  
My love is your love, your love is my love  
Love, love?  
You the one that I dream about all day  
You the one that I think about always  
You are the one so I make sure I behave  
My love is your love, your love is mine
