## Rise Against, Anyway You Want It

[Originally by Journey]

Anyway you want it that's the way you need it Anyway you want it

She loves to dance she loves to sing she does everything she loves to move she loves to groove she loves the lovin' things

All night all night oh every night so hold tight hold tight oh baby hold tight

She said anyway you want it that's the way you need it anyway you want it anyway you want it that's the way you need it anyway you want it

I was alone
I never knew
what good love could do
then we touched
and we sang
about the lovin' things

All night all night oh every night so hold tight hold tight oh baby hold tight

She said anyway you want it that's the way you need it anyway you want it anyway you want it that's the way you need it anyway you want it
