

# Rise Against, I Don't Want To Be Here Anymore

On pins and needles we are waiting for the fall  
We count the days scratching lines on the wall  
Wait in the wings at someone's beck and call  
No longer recognize the place that I call home  
No longer recognize this face as my own  
Somewhere this fate, I lost control

We backed down, we took no for answers far too long  
We felt those walls close around

I don't want to be here anymore  
I don't want to be here anymore  
I don't want to be here anymore  
I know there's nothing left worth staying for  
Your paradise is something I've endured, whoa whoa  
See I don't think I can fight this anymore,  
I'm listening with one foot out the door  
And something has to die to be reborn  
and I don't want to be here anymore

On hand and foot we answered every single call  
Weathered every day like passing storms  
But when we break we will all be gone

Won't back down, won't take no for answers anymore  
These walls close, we pace back and forth

I don't want to be here anymore  
I know there's nothing left worth staying for  
Your paradise is something I've endured, whoa whoa  
See I don't think I can fight this anymore,  
I'm listening with one foot out the door  
But something has to die to be reborn  
I don't want to be here anymore

The point where we break is closer everyday  
But where do we go? But where do we go?

I don't want to be here anymore  
I don't want to be here anymore  
I don't want to be here anymore  
I know there's nothing left worth staying for  
Your paradise is something I've endured, whoa whoa  
See I don't think I can fight this anymore,  
I'm listening with one foot out the door  
But something has to die to be reborn  
and I don't want to be here anymore  
Anymore...
