

# Rita Ora, Don't Think Twice

We're already past temptation  
We've already crossed that line  
And, baby, when you saw me naked  
I've never felt more alive

Love's a risky bid  
Play me like roulette  
Don't think with your head  
Yeah, I don't ask for much  
Just all of your love

Baby, don't think twice, na-na  
One second can change your life, na-na  
Trust the way you feel tonight, na-na  
Heaven is a shot in the dark  
So shoot with your heart  
And don't think twice, na-na  
One second can change your life, na-na  
Trust the way you feel tonight, na-na  
Heaven is a shot in the dark  
So shoot with your heart  
Don't think twice

Am I drunk or am I dreamin'? (Am I dreamin'?)  
'Cause, babe, I've never seen this clear (Before)  
This could be your best investment (Best investment)  
If you just stay right here

Love's a risky bid (Hey, yeah)  
Play me like roulette (Hey, yeah)  
Don't think with your head (No, no, no, no)  
Yeah, I don't ask for much (Hey, yeah)  
Just all of your love (Hey, yeah)

Baby, don't think twice, na-na  
One second can change your life, na-na  
Trust the way you feel tonight, na-na  
Heaven is a shot in the dark  
So shoot with your heart  
And don't think twice

(Na-na, na-na-na-na-na-na-na)  
You better love  
(Na-na, na-na-na-na-na-na-na)  
Come to me, ooh  
(Na-na, na-na-na-na-na-na-na)  
Ooh, yeah  
Shoot for the stars, shoot for your heart  
And aim for love

Love's a risky bid (Na-na, na-na-na-na-na-na-na)  
Play me like roulette (And love somebody)  
Don't think with your head (Na-na, na-na-na-na-na-na-na)  
Don't think with your head (You better love somebody)  
Love's a risky bid (Na-na, na-na-na-na-na-na-na)  
Play me like roulette  
Don't think with your head

Baby, don't think twice, na-na  
One second can change your life, na-na  
Trust the way you feel tonight, na-na  
Heaven is a shot in the dark  
So shoot with your heart  
And don't think twice
