Her name is Lora

all summer we been in the BU
68 chevy with nothing to do
just rolling J'S
kush loving
last night we got with the dude
I saw him he was looking at you
so I said hey

Sometimes, I just wanna kiss girls, girls, girls
Red wine and I just wanna kiss girls, girls, girls
Sometimes, I just wanna kiss girls, girls, girls
Red wine and I just wanna kiss girls, girls, girls
girls, girls, girls, girls, girls

You know I tamed it
and then I named ir
I put the lion on the cage and then I lay with her all night
her all night
her all night

I'm the hunter
and she's the prey
I'm the thriller
I'm the killer
I'm the savior
up all night
we up all night

all summer we been in the BU
68 chevy with nothing to do
just rolling J'S
kush loving

Sometimes, I just wanna kiss girls, girls, girls
Red wine and I just wanna kiss girls, girls, girls
Sometimes, I just wanna kiss girls, girls, girls
Red wine and I just wanna kiss girls, girls, girls
