

Rita Ora, How To Be Lonely

he'd tell me that he loved me more than most
that he could be the one to take me home
but I am good enough to
be the everything that he could want?
he told me that he loved me more than most

been lookin' for non-material love
soon as I find it
I 'll be fuckin' it up
break it up
like ain't made a mess here often enough
not enough , not enough
not enough , not enough
no, no, no

will no one ever show me how to be lonely?
end up on my own almost every night
I must be the only
feeling like losing you will show me how to be lonely
ain't nobody can hold me like the way you hold me
end up on my own almost every night
I must be the only
feeling like losing you will show me how to be lonely

feeling like losing you will show me how to be lonely

but am I good enough to
tell you that I love you more than most?
that you could be the one to take me home?
but am I good enough
to give you everything that you will hold?
in truth, I am being honest, I don't know

been lookin' for non-material love
soon as I find it
I 'll be fuckin' it up
break it up
like ain't made a mess here often enough
not enough , not enough
not enough , not enough
no, no, no

will no one ever show me how to be lonely?
end up on my own almost every night
I must be the only
feeling like losing you will show me how to be lonely
ain't nobody can hold me like the way you hold me
end up on my own almost every night
I must be the only
feeling like losing you will show me how to be lonely

feeling like losing you will show me how to be lonely

but am I good enough to

been lookin' for non-material love
soon as I find it
I 'll be fuckin' it up
break it up
like ain't made a mess here often enough
not enough , not enough
not enough , not enough
no, no, no

will no one ever show me how to be lonely?
end up on my own almost every night
I must be the only
feeling like losing you will show me how to be lonely
ain't nobody can hold me like the way you hold me
end up on my own almost every night
I must be the only
feeling like losing you will show me how to be lonely

feeling like losing you will show me how to be lonely
feeling like losing you will show me how to be lonely
