

Rita Ora, Your Song

I woke up with a fear this morning
But I can taste you on the tip of my tongue
Alarm without no warning
You're by my side and we got smoke in our lungs

Last night we were way up, kissing in the back of the cab
And then you say "love baby let's go back to my flat"
And when we wake up, never had a feeling like that
I got a reason so man, put that record on again

I don't want to hear sad songs anymore
I only want to hear love songs
I found my heart up in this place tonight
Don't want to sing mad songs anymore
Only want to sing your song
Cause your song's got me feeling like i'm

I'm in love, I'm in love, I'm in love
Yeah, you know your song's got me feeling like I'm

No fear but I think I'm falling
I'm not proud
But I'm usually the type of girl that would hit and run
No risk so I think I'm all in
When I kiss your lips, through my heartbeat thumb

And now we're way up, dancing on the roof of the house
And then we make love, right there on your best friend's couch
And then you say "love, this is what is all about"
So keep on kissing my mouth and put that record on again

I don't want to hear sad songs anymore
I only want to hear love songs
I found my heart up in this place tonight
Don't want to sing mad songs anymore
Only want to sing your song
Cause your song's got me feeling like I'm

I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
Yeah, you know your song's got me feeling like I'm

I don't want to hear sad songs anymore
I only want to hear love songs
I found my heart up in this place tonight
Don't want to sing mad songs anymore
Only want to sing your song
Cause your song's got me feeling like i'm

I don't want to hear sad songs anymore
I only want to hear love songs
I found my heart up in this place tonight
Don't want to sing mad songs anymore
Only want to sing your song
Cause your song's got me feeling like that

I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
Yeah, you know your song's got me feeling like that
