

Rita Pax (Paulina Przybysz), Too much

Eyes wide open
Starting to hurt
And desperately dancing
Like he would care
You close it soaking
But I sweat
You desperately hoping
That he would care

And you've been tryin'
tryin', tryin' , tryin', tryin'
For so long
To much
tryin', tryin', tryin' , tryin'
I know it's hard
To start

Sister, you've never be loving
Coz you worry too much
First step to get to know each other
But .. alive
Sister, you've never gonna get it
Coz you face to...
Notice the he is magic fire
That brought you to magic work
