RITUALZ, ALIEN

[Hook]
Spin back, relax hoe
Something underwater
Now I'm alone, better
It's nothing like you even said

[Chorus]
Goth feels in the air
I be all one, that's how I live
You fuck up my head
Thinking you coming after me
Goth feels in the air
I be all lone, that's how I live
You fuck up my head
Thinking you coming after me

[Hook] Spin back, relax hoe Something underwater Now I'm alone, better It's nothing like you even said

[Chorus]
Goth feels in the air
I be all lone, that's how I live
You fuck up my head
Thinking you coming after me
