

RITUALZ, KING

[Intro: RITUALZ]

I'd like

To sorcer you every day

It's okay

Baby, I'm on the way

Broken house

Barely alive, to feel ecstatic

Golden heart

I would say it, on my heart

[Hook: RITUALZ]

I am okay (knowing you're not in pain)

I am okay (knowing you're far from pain)

I am okay (knowing that you're with me)

I am okay (you're hands are so cold to me)

[Chorus: RITUALZ]

Look at the night

I love when it's easy to run

A Satanic sacrifice

I'm singing the sadder songs

I caught you with that

I'm sick, people scream so far

I'm falling apart

Igniting hearts alright

Look at the night

I love when it's easy to run

A Satanic sacrifice

I'm singing the sadder songs

I caught you with that

I'm sick, people scream so far

I'm falling apart

Igniting hearts alright

[Hook: RITUALZ]

I am okay (knowing you're not in pain)

I am okay (knowing you're far from pain)

I am okay (knowing that you're with me)

I am okay (you're hands are so cold to me)

[Verse: RITUALZ and Sample]

Ooo, ooo, ooo-ooo-ooo-ooo

Ooo, ooo, ooo-ooo-ooo-ooo

(Knowing that you're okay)

Ooo, ooo, ooo-ooo-ooo-ooo

Ooo, ooo, ooo-ooo-ooo-ooo

(Knowing you're far from pain)

Ooo, ooo, ooo-ooo-ooo-ooo

Ooo, ooo, ooo-ooo-ooo-ooo

(Knowing that you're okay)

Ooo, ooo, ooo-ooo-ooo-ooo

Ooo, ooo, ooo-ooo-ooo-ooo

(You're hands are so cold to me)

[Chorus: RITUALZ]

Look at the night

I love when it's easy to run

A Satanic sacrifice

I'm singing the sadder songs

I caught you with that

I'm sick, people scream so far

I'm falling apart

Igniting hearts alright

[Outro: RITUALZ]
I caught you with that
A Satanic sacrifice
