

Rival Sons, Keep On Swinging

One day my prayers are gonna be answered
For soo long I been hungry for something else
Where there?s a will n there?s a way ? cause
The lord helps those who help themselves

Hey,hey I keep my head down but I keep on swingin
Hey I keep my head down but I keep on swingin
Hey I keep my head down but I keep on swingin
Hey I keep my head down but I keep on swingin

Right now somebody?s counting my money
So much they cant see the top of the stack
There?s a will there?s away
Moneys gonna find my hand one day and
When it does I ain?t looking back

Hey,hey I keep my head down but I keep on swingin
Hey I keep my head down but I keep on swingin
Hey I keep my head down but I keep on swingin
Hey I keep my head down but I keep on swingin
