

Rival Sons, Mercy

Somebody hurt you
Now you're gonna hurt someone
Somebody hurt you
Now you're gonna hurt someone
Oh-oh-oh-oh
Somebody hurt you
Now you're gonna hurt someone

So have a little mercy
Mercy
Mercy never let you down
Try a little mercy
Mercy
Mercy never let you down

Mercy never let you down
Mercy never let you down

You know that anger
Moves like electricity
You know that anger
Moves like electricity
Oh-oh-oh-oh
You know that anger
Moves like electricity

So have a little mercy
Mercy
Mercy never let you down
Have a little mercy
Mercy
Mercy never let you down

Mercy never let you down
Mercy never let you down

So have a little mercy
Mercy
Mercy doesn't let you down
Have a little mercy
Mercy
Mercy didn't let you down

Have a little mercy
Mercy
Mercy never let you down
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
