

River Road, I Broke It, I'll Fix It

(Byron Hill/Bud Cason)

I've always been the kind of man
Who admits when he is wrong
And I'll do anything
To make it right
Even if it takes forever
To put it back together

I broke it, I'll fix it
Your heart is worth the world to me
I'll show you, I'll prove it
If it's the last thing on this earth I ever do
For you
I broke it, I'll fix it
Like new

Heaven knows how i've been blessed
To know your sweet forgiving ways
To get the second chance
I don't deserve
Tonight this promise that I make
Is one I swear I'll never break

I broke it, I'll fix it
Your heart is worth the world to me
I'll show you, I'll prove it
If it's the last thing on this earth I ever do
For you
I broke it, I'll fix it
Like new

Love's the reason I'm still here
So put away your doubts and fears
And with my love, I'm gonna right the wrongs

I broke it, I'll fix it
Your heart is worth the world to me
I'll show you, I'll prove it
If it's the last thing on this earth I ever do
For you
I broke it, I'll fix it
Like new
