

# Riverside, #Addicted

I feel I have to share  
What I do  
Or where I am  
There's an urge within  
I can't ignore

Hashtag me and go  
I'm addicted to your love  
I'm addicted to my aimless drive

There's a mask upon my face  
I can't live without  
So you won't recognize me  
When I am in the crowd  
I lost my calmness in the world  
Where everything is searchable

Dreaming inside out  
Feeling inside out

I don't have my place  
I'm in here and everywhere  
Just another day in hd frame

So hashtag me and go  
Cause I'm addicted to your love  
I'm afraid  
You're the only friend I've got

There's a mask upon my face  
I can't live without  
So you won't recognize me  
When I am in the crowd  
I lost my calmness in the world  
Where everything is searchable

Dreaming inside out  
Feeling inside out  
Dreaming inside out  
Feeling inside out

Hashtag me and go  
Cause I'm addicted to your love

I lost my calmness in the world  
Where everything is searchable

Dreaming inside out  
Feeling inside out  
Dreaming inside out  
Feeling inside out
