

# Robbie Williams, Can't Stop Christmas

what a miserable year  
but what a time to be alive  
sadly some friends disappeared  
it's never been like this before  
it feel like we're at war

so i Wonder  
who's gonna decide  
if we can do  
the auld lang syne  
i wish that i could do  
what i like  
with this family of mine  
We're going out of our minds

So what are we to do  
About your facetimes and your zooms  
There's a room inside my mind  
And it's always here for you

Nothing's gonna stop christmas  
No Chance

You can' take away our season  
Like you can't take away the  
Santa's on his sleigh  
But now he's 2 meter away

The people gonna need  
Smething to believe in  
After a year of being in  
We're get our wishes list  
You can;t stop christmas time!
